2011 DISTINGUISHED KNIGHTS

“Our goal is to always remain humble, give back generously and often, as we feel very blessed for what we have been provided by the Lord. Our children are our life, and we devote ourselves to them and to making a better place for everyone to live.”

-The Huletts

Ralph & Maureen Hulett

“We are honored and humbled to be selected as 2011 KoRT Distinguished Knights.”

Ralph is one of four children and was born and raised in Lexington, KY. Maureen is one of six children and was born in Lansing, MI. Due to her father's career, she lived in five different cities (Lansing, Indianapolis, Louisville, Montvale (NJ), and back to Louisville) before she found her way to Lexington. Both Ralph and Maureen attended the University of Kentucky for their college education. Ralph extended his education two more years at the Art Institute of Atlanta as a graphic designer.

Ralph and Maureen met in 1989 in Lexington, KY. They were married on April 22, 1994 in Denver, CO. In 2001, a Convalidation of Marriage was performed at St. Pius X Church in Edgewood, KY. They have four children in their family - Catie (10), Claire (7), Jacklyn (27) and Jason (29).

Ralph and Maureen have lived in Omaha, Kansas City, Denver, Birmingham, Orlando, back to Birmingham, and now Erlanger. Ralph is a Senior Director of Business Development for Convergys Corporation, a large Outsourcing and BPO company supporting clients globally. Ralph has worked at Convergys for the past eleven years holding previous corporate management roles as well as owning his own business. While Ralph was concentrating on his career, Maureen had a chance to work in many different environments, including the Japanese automotive industry, a veterinarian hospital, a cable network and a construction company not to mention numerous temporary jobs while waiting for the moving truck to come and go. At Mary, Queen of Heaven Maureen is known for her party/event planning skills which she no doubt acquired when she worked with an award-winning chef at The Maisonette.

It wasn't until their daughters, Catie and Claire, arrived that Ralph and Maureen felt the need to plant roots and get involved. Maureen became a stay-at-home mom, while Ralph continued his career with Convergys. It was Catie's enthusiastic response to Mary, Queen of Heaven in 2006 that made Ralph and Maureen realize they had finally found a parish family. Becoming aware of the needs of the church and parish, the Huletts eagerly donated their time and provided financial support. Maureen headed the Welcoming/Hospitality Committee for three years. Ralph served on Parish Council for four years and worked with the Diocese on the Boone County Task Force Planning Committee.

“We have been blessed with so much; we answer the call when it rings-....literally from the rectory.”

-The Huletts

Ralph and Maureen were the first on board in assisting with the acquisition of the modular classrooms. They became members of the 2008 Apostles Project at Mary, Queen of Heaven which helped pay down the parish debt. They were Corporate Sponsors of the Knights of the Round Table in 2008, 2009, 2010 and 2011. Ralph and Maureen provided the funding for the Landscape Beautification Project on the Parish grounds in 2008. In April 2010, they made a significant donation

to help get the MQH Fine Arts Program started. Ralph and Maureen have also sponsored several social functions for the school and parish. The Huletts are regular contributors to many other charities including St. Rita School for the Deaf, Senior Services of Northern Kentucky, Diocesan Catholic Children's Home, Inc., Catholic Social Services of Northern Kentucky, American Cancer Society, Children, Inc. and De La Salle High School of St. Louis, MO.

The Huletts continuously strive to be good stewards of the many gifts they have been given. Their Catholic Faith and commitment to contributing to a better and more deeply spiritual life are what drives their desire to make a difference in a child's life. They support a strong educational and cultural-rich platform for all. Ralph & Maureen have a strong commitment to giving back to the community and to the charitable organizations who work very hard to make a difference for those in need.

"Do not go where the path may lead; go instead where there is no path and leave a trail."

"We want our children to grow up in a culture-rich, spiritual environment promoting their creativity and desire to look past the horizon for opportunities. Mary, Queen is a place where we cherish our amazing friendships, pastor and teachers who help bring this vision to life."
